

GEI's Blossom English School, Thane

Annual Report – 2023 – 24

“Education is not preparation for life; education is life itself.” –John Dewey

We at GEI's Blossom English School believe in this thought and always strive to give our students education which will prepare for their life ahead. Our vision is to provide holistic development with scientific perspective and core values to develop responsible citizen who in turn strive for the welfare of society and our country. To create a generation ready for innovations.

A day at our school starts with an assembly where students gather on the ground. They say prayer, national anthem, pledge followed by thought/importance or new update of the day.

Throughout the year we conducted different co-curricular activities for Pre-Primary and Primary section to develop different qualities in them. We conducted colour week, vegetable market day, puppet show, cultural celebrations like Ganpati Idol decoration, Janmashtami, Grandparents Day, Diwali and Christmas celebration. Teachers explained then the importance of these celebrations and enjoyed with students. We also celebrated different days like International Yoga Day and our National Days.

We conducted different competitions like recitation, storytelling, fancy dress (theme based), shloka competition, elocution, drawing and colouring competition, handwriting competition, essay writing competition. Teachers guided students and motivated them to actively participate in all these competitions. By participating in these competitions our students gained more knowledge, developed self-confidence and public speaking skill.

Throughout the year students participated in many projects like tree plantation, waster conservation and Swachh Bharat Abhiyan to save our Mother Earth.

This year students participated in intra-school competitions such as Natya Spardha, Sports, N. T. Kelkar Chirta Spardha, Bapat Vakrutv Spardha have shown glorious results.

We feel that our students should be ready for competitive exams. Our students participated in Indian Talent Olympiad exam and have brought accolades to school. Our teachers conducted doubt clearing sessions for this. With all this academic education our students are rooted to our culture. Students participated actively in Chinmay Mission Geeta Chanting competition.

The main highlight of this year was **Genius Junction** wherein all students participated and made different charts and models for different subjects.

To foster skill development in our students we conducted Annual Day in which students got an opportunity to showcase their talent in dance, music and drama. As physical fitness is very important and play vital role in our life we conducted Annual Sports.

The last event of this academic year was the summer camp. In this camp students were given training for art and craft, mallakhamb and drama. To improve their concentration different activities were taken.

In all these competitions and events students were awarded medals and certificates.

On regular intervals assessments of students were taken and progress was discussed with their parents. For weak students we conducted remedial sessions for proper grooming.

We are sure in the coming years; we shall successfully channelize the halo of the young minds to explore best of their abilities.
