

GEI's Blossom English School, Thane

Annual Report – 2024 – 25

“Education is the most powerful weapon which you can use to change the world.” – A. P. J. Abdul Kalam

We at GEI's Blossom English School strongly believe that education plays very important role throughout our life and always strive to give our students education which will prepare for their life ahead. Our vision is to provide holistic development with scientific perspective and core values to develop responsible citizen who in turn strive for the welfare of society and our country. We motivate our students to explore and innovate. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

Parent's orientation –

As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of classes Nursery to Grade 6. The programme made the parents aware of the scheme of education we impart here at our school.

Teacher's Capacity Building Program –

With the sole purpose of updating teachers' knowledge, teachers attended training sessions held at Dadar and trainings conducted by Oxford publication.

A day at school –

A day at our school starts with an assembly where students gather on the ground. They say prayer, national anthem, pledge followed by thought/importance or new update of the day. After prayer students go to respective classes where they are engaged in different activities which gives them hands-on learning experience. We focus on physical development of students through sports. It helps them to learn different values like team spirit, sportsmanship, coordination and tolerance. As we know importance of learning students go to library and read different books. This helps them in their language development.

Celebrations –

Throughout the year we conducted different co-curricular activities for Pre-Primary and Primary section to develop different qualities in them. We conducted colour week, vegetable market day, puppet show, cultural celebrations like Ganpati Idol decoration, Janmashtami, Grandparents Day, Diwali and Christmas celebration. Teachers explained then the importance of these celebrations and enjoyed with students. We also celebrated different days like International Yoga Day and our National Days.

Competitions –

We conducted different competitions like recitation, storytelling, fancy dress (theme based), shloka competition, elocution, drawing and colouring competition, handwriting competition, essay writing competition. Teachers guided students and motivated them to actively participate in all these competitions. By participating in these competitions our students gained more knowledge, developed self-confidence and public speaking skill. Students were awarded with certificates for their achievements.

We feel that our students should be ready for competitive exams. Our students participated in Indian Talent Olympiad exam and have brought accolades to school. Our teachers conducted doubt clearing sessions for this. With all this academic education our students are rooted to our culture. Students participated actively in Chinmay Mission Geeta Chanting competition.

Co-Curricular Activities–

Throughout the year students participated in many projects like tree plantation, water conservation and Swachh Bharat Abhiyan to save our Mother Earth.

This year students participated in GEI intra-school competitions such as N. T. Kelkar Chirta Spardha and Bapat Vakrutv Spardha have shown glorious results.

To foster skill development in our students we conducted Annual Day in which students got an opportunity to showcase their talent in dance, music and drama. As physical fitness is very important and play vital role in our life we conducted Annual Sports. In all these competitions and events students were awarded medals and certificates. Students enjoyed picnic at Snow World and Bachcha Party.

Student's Progress –

On regular intervals assessments of students were taken and progress was discussed with their parents.

Counselling Sessions –

Counselling sessions were conducted for students and parents throughout the year. This provided guidance in proper upbringing of the child.

School Affiliation –

We have successfully completed first step of CBSE affiliation and working on next step.

Towards the end, we thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far.
